## All set to go for the International Bowen Conference in Sörbyn

Bowenforum Sweden is proud to announce that the decision has been made by the Bowen Center in Washington. The first International Bowen Conference set in Europe is to take place in Swedish Lapland at the Sörbyn Lodge close to the city of Boden.

- We are proud to be given this confidence. It has of course been preceded by solid preparations and many contacts, reports the project leader Kerstin Sofia Andersson.

This is the third International Bowen Conference and the theme is "Managing Relations in a Changing World - Bowen Theory in Organizations, Families and Communities". It will take place June 15-17 2020. The previous International Conferences has been in Philadelphia and Hong Kong.

[The five main speakers](#) are assigned, among them [Dr. Michael Kerr](#), professor emeritus and author of several books. Dr. Kerr is a former Director of the Bowen Center in Georgetown. We are also happy to present [Dr. Anne McKnight](#), the present Director of the Center.

- Our main speakers are some of the most prominent persons working with Bowen Theory in practice, application and the ongoing development. In addition to the five main speakers another ten speakers will be invited to present their work. This is still a work in progress Kerstin Sofia Andersson says.

An important goal of ours is to "bring together leaders and students as well as newcomers to Bowen Theory from all over the world and give opportunities to share their learning on the theory and practice in families, organizations, and
