

16 december 2021

Many lecturers and key-note speakers contribute...

Let Santa's reindeer come with a Christmas present that fills you with expectations. A very special package filled with education, development and exciting exchanges of ideas. A decision to attend the third International Bowen Conference will give you everything you want.

The 3rd international conference on Bowen's theory brings together prominent lecturers, from many different disciplines, around the world. It is a great pleasure to be able to offer such an inspiring program. Until the conference in June, we will continuously present lecturers. [See the program for Bowen 2022.](#)

Tuesday 14, 10.00 - 11.00

Kathy Wiseman, BA, MBA

[*"The application of the Bowen theory to work systems: a person's challenges and opportunities"*](#)

Here we will listen to the role that differentiation can play in team building and leadership development, and how a better understanding of worry, stress and anxiety can improve a team's ability to think creatively and to manage change

Tuesday 14, 13.55 – 14.25

Renee Chiu, PhD, Hongkong

[*"Parental emotional attachment and fear of intimacy of emerging adults in Hong Kong: the effects of differentiation of self"*](#)

This presentation tells how young adults in Hong Kong are shaped by their parents' emotional attachment and fear of intimacy. Her current research areas include

marriage counseling, family counseling, social work and the social worker's internship.
Bowen's theory is one of the cornerstones of theory and methodology.

Wish you a Merry Christmas and a Happy New Year!

About the restrictions

The Government has adopted an amendment to the Limitations Ordinance that enables use of vaccination certificates at public gatherings and events. The amendment enters into force on 1 December 2021.
