**Family and Differentiation of  
Self: An Evolutionary  
Perspective**

The central concept in Bowen theory of differentiation of self will be presented from an evolutionary context.

This will be principally be discussed in terms of the co-evolution of the family and the brain which underlies the development of the intellectual system defined in the theory.

**3rd International Conference on Bowen Family Systems Theory**

Sörbyn, Swedish Lapland, Sweden June 15-17 2020.
