

**Anne McKnight,
EdD, LCSW, LICSW**
**The Challenges families face in
an anxious and polarized world**

In all the calamities the human faces today—immigration, extreme weather, global warming, polarized politics—the family unit is affected, but not understood as central to a resilient response for individuals and communities. Bowen theory addresses the resilience that lies in the family system in anxious times.

3rd International Conference on Bowen Family Systems Theory

Sörbyn, Swedish Lapland, Sweden June 15-17 2020.
